Dear Parents,

The Park Orchards Primary School Council has approved the school's **Foundation to Year 1 Parent Payments** for 2024.

Park Orchards Primary School provides high quality education and is recognised by the Education Department as a **high performing primary school**. We are looking forward to a wonderful year of teaching and learning excellence in 2024. Park Orchards Primary School is committed to continuous improvement and providing the highest resourced programs and learning environment possible for your children. Underlying the success and quality of our academic and enrichment programs is the **high level of financial support from parents**.

We are advising you of **Park Orchards Primary School's voluntary financial contributions for 2024**. Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, **our families' strong and ongoing financial support** ensures that our school can continue to offer the **high-quality and well-resourced learning environment** that our students are used to, and we are known for.

In 2023 we:

- installed an undercover walkway to the Arts Centre
- installed and upgraded our football goal posts and padding
- installed seating under the new shade sail area
- engaged a landscape architect to design an indigenous sensory garden behind the library
- increased our digital tech resources and upgraded our numeracy and literacy resources.

In 2024 we plan to:

- install an undercover walkway along the Art Centre to the Art room
- upgrade and refurbish the library with new carpet, furniture and painting
- painting an indigenous mural at the end of Block B
- completion of indigenous sensory garden behind the library
- continue to upgrade our literacy, numeracy, and digital resources as per our yearly plan
